

## Attention WMS Families!

Our school is excited to offer the **District #118 Gift Card Program** again this year. This program will allow our PTO to raise funds while giving back to our local community! The PTO has had the pleasure of working with the amazing business owners in our area for many years through “Restaurant Benefit Nights”. We have heard from families that they want to support our local businesses but can’t fit it in their schedule on a specific benefit night. We have come up with a solution!

How does it work? It’s simple...partnered businesses agree to sell gift cards to our PTO at a discount. Families like yours buy the gift card at full face value and our PTO keeps the difference as profit. **NO SELLING INVOLVED!** Below are the dates that we will offer this great program to our WMS families and staff. Please consider participating in this effortless fundraiser.

### **2016 - 2017 Dist. #118 Local Gift Card Dates:**
